

### IMPORTANT THINGS TO KNOW

1. Report any problems or concerns you might have with the ministry to your facilitator **first**. If for any reason you are not satisfied with the response, please leave a message for Millie Burgos at 718-290-2246 and she will respond to you as soon as she is able.
2. Please note that the discovery group is not meant to be a counseling session or a prayer meeting. It is a discussion and discovery group only.
3. Homework is crucial and must be handed in on a weekly basis. Be aware that if you miss two (2) homework assignments, it will be considered an absence. Remember you are only allowed (1) excused absence during the semester.

Please Note: There have been a number of people who have expressed their desire to repeat the class because they did not really apply themselves during the nine (9) weeks and now realize how much they missed out. Unfortunately, we are not able to comply with this request so please make sure you make the most of this time. Remember, you are making an investment in your spiritual growth that will affect your whole life!
