

WELCOME!

We are so excited you made the decision to participate in the *Be Transformed* Discovery Group! The fact that you chose to do so reflects your desire to explore deeper ways to draw near to God. Whether you come to us because situations are currently overwhelming and causing you pain, shame and regret or you're simply thirsty for a closer walk with the Lord, we are confident that the *Be Transformed* Discovery Group will bring about the change you seek. As you begin to learn (or rediscover) God's principals and **apply them** to your life, a whole new way of living will emerge. Think of yourself as the clay in the Potter's Hands being transformed into the image of His Son Jesus by the Heavenly Father for His glory. The Lord has great purpose for your life and as you yield to the Holy Spirit you will see (and others will see) the transformation.

We have prayed in advance for you and will continue to pray for you as we join the Apostle Paul who said "I travail like a woman giving birth until I see Christ formed in you" (Galatians 4:19). We challenge you to take a new step in your life and break old patterns and allow the Lord Jesus Christ to remove the layers of the old life and replace them with the new. Be diligent, be punctual and come with an open heart. You won't regret it!

God bless,

The *Be Transformed* Team
